NOTE FOR: [REDACTED]

[REDACTED]

I don't want to be in the position of bugging eternally, but I remain concerned about the future of [REDACTED]. I understand that arrangements have been made for a QSI and that he will remain where he is until the fall. This is all well and good, but at last report [REDACTED] has no clue as to what lies beyond that. And, I am not aware of any plans being made for training, reassignment, etc. He may not be competitively at or near the top of his class, but he is a good troop who did a year's ^{solid} job with the Review Staff. I would hate to see him a victim of the "out-of-sight, out-of-mind" syndrome.
